

Lived experiences heard: *real voices, real change.*

From being heard to creating change

HOW BEING HEARD BECOMES CHANGE

OUR FOCUS

Listen

Hear each story without judgement.

Value

Lived experience is real expertise.

Include

"Nothing about us, without us."

Create change

Better support, dignity and less stigma.

Listen without judgement.
Include people in decisions that affect them.

Offer peer support

Challenge stigma

Every story is different — share with consent, listen with respect.
